# The BIG Questions

- ▶ What services are the Community Mental Health Centers currently providing to students in the school setting?
- ▶ How are schools and CMHCs collaborating to make mental health services available in the school setting?
- ▶ What does the full landscape of social, emotional and mental health look like for students, families, teachers and the community?

# Survey Tool Instructions

*Your participation* is not only greatly appreciated but *critically important* in generating an accurate representation of services.
